Enclosed herewith please find a summary of bids received on December 7, 2021, for the above referenced project. Seven (7) bids were submitted, ranging from a low base bid of $314,586.15 by S & G Paving, to a high base bid of $354,975.80 by S Brothers. The engineer's estimate for the base bid is $338,506.95. The Borough has a FY2020 NJDOT Municipal Aid Grant in the amount of $211,103.00.

Please find enclosed a complete Summary of Bids for your review. There were irregularities found in some of the bids, as indicated in the bid tabulations, but none in that of the low bidder or second low bidder. Therefore, the outcome of the bid is not affected.

Seven (7) bids were received and summarized as follows:

	Bidder's Name	Base Bid	Base Bid Less Del 1	Base Bid Less Del 1 & 2	Base Bid Less Del 1, 2 & 3	Base Bid Less Del 1, 2, 3 & 4
1	S & G Paving	**$314,586.15**	**$294,500.15**	**$222,138.53**	$172,855.77	$154,213.77
2	Earle Asphalt	$319,413.13	$297,761.13	$224,421.10	**$170,464.00**	**$150,444.00**
3	Fernandes Const.	$323,258.76	$298,364.91	$228,932.73	$175,472.02	$152,076.18
4	Z Brothers	$340,621.74	$320,472.08	$242,986.08	$188,840.67	$169,318.83
5	Black Rock	$343,809.95	$323,549.70	$244,818.20	$186,366.70	$167,607.70
6	Flore Paving	$347,112.10	$325,702.40	$252,823.80	$193,855.20	$173,809.20
7	S Brothers	$354,975.80	$332,455.80	$256,845.80	$202,668.80	$181,504.80

As you will notice, the low bidder is different with the implementation of the deletion items. If the base bid only is awarded, or if the base bid and deletion Item 1, or base bid and deletion Item 1 & 2 is awarded, S & G Paving is the low bidder. However, if the Deletion Items 3 & 4 are implemented, Earle Asphalt becomes the low bidder. It should be noted that the low bid is below the engineer's estimate.

CONSULTING AND MUNICIPAL ENGINEERS
1460 ROUTE 9 SOUTH • HOWELL, NEW JERSEY 07731 • (732) 462-7400 • FAX: (732) 409-0766

Our office has worked with both S & G Paving and Earle Asphalt in the past and generally found their work to be satisfactory. As a matter of procedure, our office has contacted S & G Paving and Earle Asphalt to discuss their bids. The representatives we spoke to indicated they are comfortable with the bids as submitted and there are no objections to completing the project based on the bid prices submitted and the contract time.

Based on this information, we recommend the following actions:

1. Award of the contract to the low bidder as available funding permits. The award should be subject to review and approval by the Borough Attorney, including the review of the bid bond and surety from the low bidder relative to licensing to do business in the state of New Jersey and appearance on the current list of "Surety Companies Acceptable on Federal Bonds", U.S. Treasury Department, concurrence of the award by the NJDOT, and submission of the required bonds and insurance certificates for the project.

2. Bid and bid security of the second and third lowest bidder are to be retained and held open, pending execution of the contract agreement.

3. Return the bid securities of the fourth through seventh bidders.

By copy of this letter, we are requesting the Borough Attorney prepare the necessary Resolution of Award. Upon execution, please have a signed and sealed copy of the resolution forwarded to my office for further execution.

We trust this is the information you require at this time. Should you have any questions or comments relative to this project, please do not hesitate to contact this office.

Very truly yours,

Re: 2021 NJDOT Road Improvements Project
Bid Report and Recommendation of Award
Borough of Neptune City, Monmouth County, New Jersey
Our File No.: HNC00601.01

Dear Mr. Kane:

Enclosed herewith please find a summary of bids received on December 9, 2021, for the above referenced project. Eight (8) bids were submitted, ranging from a low base bid of $265,913.13 by Earle Asphalt, to a high base bid of $318,930.80 by L & L Paving. The engineer's estimate for the base bid is $301,290.80. The Borough has a FY 2021 NJDOT Municipal Aid Grant for this project in the amount of $241,132.00.

Please find enclosed a complete Summary of Bids for your review. There were minor irregularities with some of the bids. The second low bidder, S & G Paving had inconsistent bid prices from base bid to deletion item A. The third low bidder, Fernandes Construction did not submit their bid intact in accordance with the bid requirements. These irregularities are minor in nature and we do not believe it is a mandatory cause for the bids to be rejected. Therefore the outcome of the bid is not affected. We defer to the Borough Attorney for concurrence.

Eight (8) bids were received and summarized as follows:

	Bidder's Name	Base Bid	Base Bid Less Del A	Base Bid Plus Add A
1	Earle Asphalt	**$265,913.13**	$210,188.54	**$372,313.13**
2	S & G Paving	$265,955.50	$210,238.85	$376,568.95
3	Fernandes Const.	$268,890.88	**$209,780.53**	$383,658.48
4	Fiore Paving	$269,035.68	$213,004.64	$380,372.88
5	S Brothers	$297,359.90	$222,527.60	$398,360.50
6	Black Rock	$297,359.90	$236,808.90	$417,425.35
7	Z Brothers	$305,485.32	$243,183.27	$436,659.49
8	L & L Paving	$318,930.80	$254,432.30	$445,095.90

As you will notice, the low bidder is different with the implementation of the addition and deletion items. If the base bid only is awarded or base bid and addition item A, Earle Asphalt is the low bidder. However, if the deletion item A is implemented, Fernandes Construction becomes the low bidder. It should be noted that the low bid is below the engineer's estimate.

Our office has worked with both Fernandes Construction and Earle Asphalt in the past and generally found their work to be satisfactory. As a matter of procedure, our office has contacted Fernandes Construction and Earle Asphalt to discuss their bids. The representatives we spoke to indicated they are comfortable with the bids as submitted and there are no objections to completing the project based on the bid prices submitted and the contract time.

Based on this information, we recommend the following actions:

1. Award of the contract as available funding permits. The award should be subject to review and approval by the Borough Attorney, including the review of the bid bond and surety from the low bidder relative to licensing to do business in the state of New Jersey and appearance on the current list of "Surety Companies Acceptable on Federal Bonds", U.S. Treasury Department, concurrence of the award by the NJDOT, and submission of the required bonds and insurance certificates for the project.
2. Bid and bid security of the second and third lowest bidder are to be retained and held open, pending execution of the contract agreement.
3. Return the bid securities of the fourth through eighth bidders.

By copy of this letter, we are requesting the Borough Attorney prepare the necessary Resolution of Award. Upon execution, please have a signed and sealed copy of the resolution forwarded to my office for further execution.

We trust this is the information you require at this time. Should you have any questions or comments relative to this project, please do not hesitate to contact this office.

Very truly yours,

Our File No.: HNC00500.01

Dear Mr. Kane:

Enclosed herewith please find a summary of bids received on November 10, 2021, for the above referenced project. A total of five (5) bids were submitted, ranging from a low base bid of $298,297.50 by A. Takton Concrete Corp, to a high base bid of $477,788.20 by Abhzeen Design Inc. The engineer's estimate for the base bid is $232,070.00.

Based on this information, we recommend the following actions:

1. Award of the contract to the low bidder, A. Takton Concrete Corp, 127 Williams Street South River, NJ 08882 on a unit price basis as available funding permits. The award should be subject to review and approval by the Borough Attorney, including the review of the bid bond and surety from the low bidder relative to licensing to do business in the state of New Jersey and appearance on the current list of "Surety Companies Acceptable on Federal Bonds", U.S. Treasury Department, approval by Monmouth County office of Community Development, and submission of the required bonds and insurance certificates for the project.

2. Bid and bid security of the second and third lowest bidder are to be retained and held open, pending execution of the contract agreement by A. Takton Concrete Corporation.

3. Return the bid securities of the fourth and fifth bidders.

By copy of this letter, we are requesting the Borough Attorney prepare the necessary Resolution of Award. Upon execution, please have a signed and sealed copy of the resolution forwarded to my office for further execution.

We trust this is the information you require at this time. Should you have any questions or comments relative to this project, please do not hesitate to contact this office.

Very truly yours,
