ATTENTION NEPTUNE CITY RESIDENTS

The Woodrow Wilson Elementary School 8th graders are looking for donors for their 8th grade trip to Washington DC.

They are asking for a $100, tax deductible, donation. All donors will have their names added to the class shirt. They accept both private and public donations.

A GoFundMe page has also been created. You can make donations of any value you choose.

https://gofund.me/cf315e7a

The goal is $5,000 to send our kids on a fun and educational field trip. Thank you to the governing body and residents for their donations already.
