Chief Quagliato,

In accordance with the Neptune City Police Department Recruitment Plan, the annual review was conducted to determine if any changes to the plan need to be made.

Over the past year the Neptune City Police Department needed to hire one additional officer due to a resignation. That position was filled by an Asian male. The following recruitment activities were performed:

- During my active role as a Physical Training (PT) and Drill Instructor for the Monmouth County Police Academy I apprised multiple recruit classes of full-time positions of Police Officer that may be open in the future.
- Patrolman Edwards and I spoke with the L.E.A.D. Students from Woodrow Wilson School (5th Grade Class) about future careers in Law Enforcement.

At this time, I do not believe the Recruitment Plan needs to be revised.

Respectfully submitted,

Sgt. [signature] #124
