Parrot's Treasure

Story-Craft Event

By David and Susan Udovic

Copyright David Udovic 2022

Well, it wasn't Parrot's treasure exactly. It was the Pirate Captain and her crew's treasure to bury and keep for themselves on the island. But when some of the crew who were left behind to protect it decided to play a game using the treasure as bait, Parrot was important. He was the only one who could hold onto a floating bottle.

Now what kind of game was this?
